About Me

Hi There, I'm here to learn and Assist!

As a passionate web development enthusiast, I am eager to apply my knowledge and skills to create interactive and user-friendly websites. I am a fast learner with a strong attention to details and problem solving skills. I am proficient in HTML/CSS, Javascript, React and Php/SQL and also familiar with Microsoft Office. I am a creative thinker who enjoys working in a team-oriented environment, and I am committed to delivering high-quality results. I am excited to gain hands-on experience in web development through an internship and to contribute to the success of the Team.

EDUCATION

Secondary Education @ Ikosi High School, Robotic programmer and builder for Titanix Builder and Web development at Globaltech Institute.
